3-Piece Ensemble

The finest ensemble available
MSRP \$529 available in black

The finest flight crew luggage in the world. We've been manufacturing premium USA made golf and travel luggage for two decades using the finest materials and hardware available. Our 3-piece flight crew ensemble is taller with a more slender profile (similar to that of a beverage cart) that allows you to slip down aisles of any aircraft to the flight deck with ease. Made in the USA and is backed by a limited lifetime warranty.

Auxiliary Gear Bag

10"H x 16"W x 10"D 36 (1.3 lbs)

Perfect for those longer trips when you just need to carry that extra gear or for the RJ crews, makes a perfect vessel for your lunch cooler or snacks. Removable padded shoulder strap. 2 exterior pockets, 1 zippered.

Roll-Aboard

23"H x 12.5"W x 9.5"D, 2,100 c. i. (8.8 lbs)

This sleek roll-aboard glides smoother than any piece of luggage you've ever experienced and includes a set of breathable mesh nylon packing modules to organize your life. The finest fabrics and zippers insure durability expected by the most discerning flight crews. Patented high-impact plastic wheelbase with in-line skate wheels and adjustable, retracting handle.

VLK (Very Light Kit)

12"H x 14"W x 5"D (2.8 lbs)

For pilots who have gone paperless. Perfect for iPads, lap tops or both, with ample storage for headset, flashlight and water bottle.

- Single piece burst proof construction made with Invista™ Cordura® 1000 d water resistant nylon up to 3x stronger and lasts up to 5x longer than standard polyester fabric
